Chapter 1 by Alicia Chen

I stood on the roof of the apartment I lived on. I looked far off into the distance and saw something that would have been surprising to anyone else but me.

Let me explain. I am a fourteen year old spy for the LLE (Leading League of Evil). I'm not like someone else you would think of. I'm not a hero, but in fact, the opposite. I can take over peoples' body and use it for myself. You wouldn't notice me until it's too late. The only thing that is preventing me from taking over is the fact that someone out there can detect me.

You wouldn't notice me from the outside. I, in fact, am not a lonely girl. I'm a regular girl hired by the LLE to spy on Stacey, the most popular girl. From what I have figured out, Stacey works for the SWE(Saving the World from Evil)

Today, something is different. I can sense it. In the far out distance, I saw a black shadow hide behind an alley. I climbed down from the roof and go to my room to get my backpack. I go to school like any other day, but this time, Stacey comes up to me. I immediately suspect something. She shows no sign of trying to interview me, but I can trust no one.

Chapter 2 by Aeryn

"Hi, Stacey," I said, trying to sound casual to avoid suspicion.

"Hi, Tracy" Stacey responded.

"Oh, not much. I was just wondering if you wanted to hang out after school!"

"Me? Oh, no, I couldn't. I'm behind on my homework, and I can't let my grades get below a B."

"Okay. I guess I'll see you in math, then." Stacey walked away, and I narrowed my eyes at her. There was something going on here, and I was going to find out what it was.

Chapter 3 by Eloise

But I didn't see her in math. Because math never happened.

Chapter 4 by Dolphin Lover

Stacy glares at me in science with her blue eyes.

"You will be put with a partner for the science project about marine life." said Mr Dale.

"Eric your partner is Daisy, Lilly your partner is Grace and Tracey your partner is Stacey." Mr Dale said happily.

Stacy smiled at me but it was a fake smile. Well this could be chance to find out about her more but she could find out my identity. My name isn't actually Tracey it is Lucy but no one knows that.
